NATIONAL ASSEMBLY OF BHUTAN

Call Notice for Stakeholder Consultation/Public Hearing by NAB Committees

| Sl# | Field | Details [To over-write the examples provided below] |
|-----|---|--|
| 1 | What [Briefly describe the topic/issue being considered in the public hearing/stakeholder consultation] | Eg. Review of Environmental Impact Assessment (EIA) Policies |
| 2 | Why [Explain the reason for the hearing or consultation, including the desired outcomes and objectives] | Eg. To gather input on proposed changes to EIA policies to ensure they effectively balance development and environmental protection. |
| 3 | Who [List the govt. agencies, associations, business community, civil society organizations, and general public invited] | Eg. MoENR, industry representatives, environmental CSOs, academic experts, and interested members of the public. |
| 4 | How [Describe the format of the consultation (e.g., presentations, Q&A sessions) and outline the procedure for participation, including how to submit written statements in advance] | Eg. Presentations by experts, followed by a panel discussion and Q&A session. Written statements can be submitted up to one week before the hearing. |
| 5 | When [Provide the specific date and time of the public hearing or consultation, including any relevant deadlines for submission of materials] | Eg. 9 June 2024, from 10:00 AM to 3:00 PM |
| 6 | Location [Indicate the physical location or online platform where the hearing or consultation will take place, including any necessary access information] | Eg. Gyalyong Tshogkhang, Lhen-zom Khangzang, or via Zoom (link to be provided) |
| 7 | Contact Information [Provide contact details of the committee staff responsible for organizing the hearing or consultation, including email and phone number for inquiries] | Eg. Ms. Nima Choden, Committee Secretary, email: nchoden@nab.gov.bt, phone: 12345678 |
| 8 | Additional Information [List any documents, reports, or background materials that participants should review prior to the hearing or consultation] | Eg. Draft EIA Policy Changes Document, Background Report on Current EIA Processes (links to be provided) |

This format ensures that all necessary information is communicated clearly and efficiently to the participants, facilitating a well-organized and productive public hearing or stakeholder consultation.
